Providers I use

Generate Kiwisaver & Managed Funds

Financial Wellbeing Coaching

I have a 5 contact point program I run my clients through to assist them with their financial literacy. The aim of this is to reduce interest on any current liabilities where applicable, put in place a manageable financial plan and to ensure financial understanding, enabling clients to manage their own finances moving forward. The aim is to ensure that all New Zealanders are financially literate and that that knowledge can then be passed through the generations.

I can help you with other services through my referral partners

Tower - F&G, PROSPA small business loans, Mortgages & Personal Insurance TAG

I am unable to offer legal or tax advice and recommend you consult your solicitor or accountant for this.

Fees and expenses

I won't charge you any fees for the Kiwisaver advice I provide to you. This is possible because, I usually receive commission from the provider. This is based on the balance of the account and is between \$40 and \$300 and an ongoing trail commission of between .15% & .25%. this is paid on a monthly basis.

Exceptions to this general position are explained below.

I charge a fee for the Financial Wellbeing Coaching – this will be determined on hours worked. The hourly rate is \$250 p.h., the average amount of this fee is \$1500

I always act with integrity and put my client's best interest first. If there is any conflict of interest this will be disclosed and discussed.

I will give you more information about how that referral fee or commission is calculated, before proceeding. I manage the conflicts of interest arising from this commission by:

Following an advice process that ensures I understand your needs and goals so that I refer you to appropriate associates who will be able to look after your requirements.

Undertaking regular training on how to manage conflicts of interest.

Privacy policy & security

I will collect personal information in accordance with my Privacy Policy. I regard client confidentiality as of paramount importance. I will not disclose any confidential information obtained from or about you to any other person, except in accordance with my Privacy Policy. The platform I use is secure.
